Each potential investor is responsible for performing their due diligence prior to bidding.

Due diligence should be performed in advance of submitting a bid. While care has been exercised to ensure accuracy, all information provided is solely for the purpose of permitting parties to determine whether or not the property is of such type and general character as to interest them in its purchase. HUD makes no warranty as to the accuracy of such information.

## USE RESTRICTIONS

N/A Years affordable housing.

N/A Years rent cap protection for \_\_\_\_\_ residents.

### TENANT BASED SECTION 8

Housing choice vouchers will be issued to eligible residents of the complex by the public housing agency (PHA), N/A, selected to administer the voucher assistance by HUD. Housing choice vouchers are tenant-based assistance. Tenant-based assistance means that the subsidy follows the program participant and is not attached or connected to a specific project or unit. Therefore, the voucher assistance should never be considered a form of guaranteed rental subsidy for the property. The families are not obligated to use the housing choice vouchers at the property. Therefore, there will be no project-based subsidy at this property.

In addition, the processing of the voucher funding and the determination of family eligibility by the PHA may take several months following the closing of the sale. The PHA must also determine the owner's rent is reasonable and the unit meets the housing quality standards of the housing choice voucher program. If the rent is determined not to be reasonable in comparison to similar unassisted units in the market area, the family will have to move to receive voucher assistance. Voucher housing assistance payments for a unit may not under any circumstances cover any period before the date the PHA determines the unit meets the housing quality standards. Since the owner will not receive voucher housing assistance payments or increase the tenant's share of the rent during this period, bidders should take into consideration the time that may be necessary for voucher funding to become available, the PHA to determine family and unit eligibility, and the owner to complete any needed repairs when making an offer.

### TERMS OF SALE

The purchaser must complete the repairs to HUD's satisfaction within N/A months after closing. The repairs are estimated to cost \_\_\_\_\_.

The purchaser must complete demolition to HUD's satisfaction within N/A months after closing. The demolition is estimated to cost \_\_\_\_\_.

Closing is to be held 30 days after HUD accepts the bid. If HUD authorizes an extension of the closing, the purchaser must pay a fee which is the greater of 1.5% of the purchase price or HUD's holding costs of \$48.68 per unit per day for each 30 day period.

This is an **all-cash, as-is** sale. The purchaser is to close within 30 days of HUD's acceptance of the bid.

The property will not be preserved as affordable housing. Therefore the bid kit does not require HUD approval for resale, or for changes in the number of bedrooms.

Future uses of the property should agree with local zoning regulations. The purchaser is to maintain the property in accordance with state and local codes.

The Use Agreement contains the following riders: Lead-based Paint, Asbestos, Mold Hazards, and Non-discrimination Against Certificate and Voucher holders.

**PROSPECTIVE BIDDERS SHOULD READ AND THOROUGHLY UNDERSTAND ALL INFORMATION PROVIDED HEREIN AND IN THE BID KIT PRIOR TO SUBMITTING A BID.**
